REPORT OF THE SELECTMEN

1988 has been a year of substantial progress for the selectmen, the employees, and the committees of the Town of Hancock.

Computerization of the town office has progressed on a steady basis and new uses of the computer are constantly being implemented. Movement and rearrangement of the offices are now top priority to increase the efficiency and comfort of everyone.

The school swap was an effort in futility, nothing being accomplished after many meetings and hours of discussion. The selectmen and, it seemed, the majority of the townspeople were in favor of a reasonable plan to enhance the educational atmosphere for our children but to date nothing has been resolved.

A special thanks to the Hancock Land Protection Task Force, and all others involved, for their successful acquisition, through LCIP, of a conservation easement on the former Peabody Meadow, thus allowing everyone to enjoy this beautiful property for years to come.

The new library is finally a reality, and credit is due Howard Mitchell and the Library Building Committee. They were even able to obtain a State Library grant to further enhance their plans. Of course the moving of the Danielson house was a town event.

Major changes in the Highway Department have occurred this year under the scrutinizing eye of Road Agent Andy Tessier. He is now responsible for operation of the Landfill, with the Landfill Committee in an advisory position, and for maintenance of the Cemeteries, with the maintenance work being sub contracted. Presently, both the Hillside Cemetery and Town Landfill are being surveyed. A fine job has been done by Andy this year, his first full year as Road Agent, and all well within his budget. He has and deserves the respect of his men and the Selectmen.

The Police Department has been expanded to include a second full time officer, thus helping to relieve Chief Ed Coughlin of some unbearable hours. A fine job has been done by the department.

Many situations that confront the Selectmen and the town boards require legal and engineering expertise. This is costly, and the trend is increasing as problems become more sophisticated and more demanding.

A great deal of appreciation is felt by the Selectmen and the townspeople toward the many volunteers that perform civic duties in Hancock. If you are not one of them, please step forward and let us share your expertise. The satisfaction is great.

Robert G. Quinlan, Chairman

THE STATE OF NEW HAMPSHIRE
TOWN WARRANT

To the Inhabitants of the Town of Hancock in the County of Hillsborough in said State qualified to vote in Town Affairs: You are hereby notified to meet at the TOWN HALL in said Hancock on Tuesday, the fourteenth day of March next at 10 of the clock in the forenoon for ballot voting of Town Officers and all other matters requiring ballot vote; and, to meet at said FIRE STATION in said Hancock on Saturday, the eighteenth day of March next at one of the clock in the afternoon, to act upon the following subjects:

1. To Choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the year ensuing.
3. Are you in favor of adopting the following (new definitions and new sections) as proposed by the planning board for the town zoning ordinance as follows:

Add new definitions under Article III

Definitions:

Home Occupation, means any activity carried out for gain by a resident conducted as an accessory use in or from the resident's dwelling unit or in an accessory structure.

Accessory Building: Change present title of Accessory Structure but leave definition as it is.

Accessory use means a use of land or of a building or portion thereof customarily incidental and subordinate to the principal use of the land or building and located on the same lot with such principal use.

Kennel means any place where five or more dogs of more than eight months of age are housed outside the residence.

Eliminate present definitions G and H.

Add the following under Article XII. C.

C. Home Occupations

The Board of Adjustment may grant special exceptions to allow home occupations in the Residential and the Agricultural and Rural Districts, providing that the proposed use meets the conditions listed below. No special exception shall be required for those home occupations which have no visible, audible, traffic-creating, or other noticeable effect on the community. For the purpose of granting this special exception only, residential lot may be considered to be that lot with the owner's primary residence and any abutting lot(s) owned by the same owner if in the judgment of the Board of Adjustment such a determination is appropriate.

1. The proposed use will be clearly incidental and secondary to the residential use of the property and will not alter the general character of the neighborhood or significantly reduce the value of any surrounding property.
2. The use will not have an adverse effect on the environment or surrounding properties as a result of noise; odors; smoke; dust; lights; soil, water, or air pollution; excessive increases in

traffic or in parking requirements; or as a result of other nuisances.

3. There will be no outdoor display of goods, and no outdoor storage of materials or equipment unless screened from roads and surrounding properties by natural or structural means to such extent and in such manner as may be specifically required and approved by the Board of Adjustment.

4. The residence or accessory buildings shall not provide window displays or other characteristics or features normally associated with commercial use.

5. There will be no change in the exterior appearance of the residence or other structures on the property as a result of the use, unless specifically approved or required by the Board of Adjustment.

6. The use of separate buildings that are not usual with a residence in the Residential District, or with a residence or farm in the Agricultural and Rural District, shall not be permitted.

Add the following under Article XII. D.

D. Removal of Clay, Sand, or Gravel

1. Applicant has approval of the Hancock Planning Board and Conservation Commission which certify that the proposed use will comply with the requirements of RSA 155-E. Local Excavation Regulations. (Planning Board Excavation applications are available at the Town Office.)

Renumber other sections.

4. Permits for the use shall be issued by the Board of Selectmen for one year and may be renewed by the selectmen on a year to year basis.

Add the following under Article XII. H.

H. Kennels

The Board of Adjustment may permit in the Residential and the Agricultural and Rural Districts special exceptions to allow dog kennels, if the proposed use will meet the following conditions and limitations.

1. Each kennel shall be located on a lot of ten acres or more.

2. Each kennel shall be located at least 200 feet from the edge of the right of way of a state road, a town road, a road right of way, or a road right of way in an approved subdivision, and shall be at least 150 feet from other boundaries of the lot.

3. Each kennel shall provide a satisfactory plan for disposal of animal waste by means other than the public provisions for solid waste disposal.

4. Kennels which involve more than ten dogs of more than eight months of age

A. Must satisfy the Board of Adjustment that such kennel will be clearly incidental and secondary to the residential use of the property and will not alter the general character of the neighborhood or significantly reduce the values of surrounding properties, and

B. May be required by the Board of Adjustment to screen the kennel and associated structures and equipment from roads and surrounding properties by natural or structural means to such extent and in such manner as may be specifically determined by the Board.

C. Must provide sewage disposal systems for such kennels approved in writing by the Water supply and Pollution Control Commission in accordance with the provisions of state law.

5. Kennels which provide services to the public must also meet all the requirements for a Home Occupation describe elsewhere in this document.

Are you in favor of amending the Building Code as follows:

SECTION IX. #3

The driveway entrance has been approved by the Road Agent and such culverts (and aprons) as he may require installed in a manner which meets his approval.

To see if the Town will vote to raise and appropriate thirty-eight thousand nine hundred ninety dollars (\$38,990.00) for a backhoe with attachments. This money to be raised by bonds or notes in accordance with the provisions of the Municipal Finance Act; or take any other action relating thereto. BALLOT VOTE

To see if the Town will vote to raise and appropriate the sum of twenty three thousand one hundred sixty three dollars (\$23,163.00) for a one-ton dump truck equipped with plow, and tool box. This money to be raised by bonds or notes in accordance with the provisions of the Municipal Finance Act; or take any other action relating thereto. BALLOT VOTE

To see if the Town will vote to raise and appropriate a sum not to exceed fifteen thousand dollars (\$15,000.00) for the purchase and outfitting of a new police cruiser; or take any other action relating thereto.

To see if the Town will vote to raise and appropriate one hundred dollars (\$100.00) for support of the Grand Monadnock Arts Council; or take any other action relating thereto.

To see if the Town will vote to raise and appropriate six hundred sixty dollars (660.00) to restore one vital statistics volume; or take any other action relating thereto.

To see if the Town will raise and appropriate sixty six thousand eight hundred dollars (\$66,800.00) for the upgrading of Depot Road. This money to be raised by bonds or notes in accordance with the provisions of the Municipal Finance Act; or take any other action relating thereto. BALLOT VOTE

To see if the Town will raise and appropriate Fifty-five thousand dollars (\$55,000.00) for the replacement of Robinson Road bridge. This money to be raised by bonds or notes in accordance with the provisions of the Municipal Finance Act; or take any other action relating thereto. BALLOT VOTE

To see if the Town will vote to open as Class V status that section of Old Nelson Road (also called Jaquith Rd.) from the Merrill's corner, westerly to the turn-around 160 feet below the home of Ernest and Nancy Adams, Map R-4, Lot 11A. The owners

13. agree to meet the standards established by the Town Road Agent prior to Town acceptance; or take any other action relating thereto. BY PETITION
14. To see if the Town will vote to plow Derby Hill Road from King's Highway to the road leading to the Eldred house on Hunt's Pond through December 31, and to open the road again by April 15, as needed. BY PETITION
15. To see if the Town will vote to establish a general fund trust pursuant to RSA 31:19-a for the repair and refurbishing of the bandstand, such trust to be funded by an appropriation of one hundred dollars (\$100.00) plus any donations made to the town for that purpose. Both the interest and the principal of this fund may be expended at the discretion of the selectmen for the purpose of the trust; or take any other action relating thereto.
16. To see if the Town will vote to direct the Selectmen to execute a contract among the towns included within the Contoocook Valley School District which provides for the establishment of comparable practices and procedures among the towns relative to the valuation of real estate for real estate assessment purposes; or take any other action relating thereto.
17. To see if the Town will vote to rescind its previous vote whereby it adopted an expanded exemption from property tax for certain elderly persons and in its place adopt the following: Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$35,000; for a person 75 years of age up to 80 years, \$35,000; for a person 80 years of age or older, \$35,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets of not more than \$30,000 excluding the value of the person's residence and residential real estate not in excess of ten (10) acres; or take any other action relating thereto. RSA 72:43-g,h. BALLOT VOTE
18. To see if the Town will raise and appropriate four thousand four hundred eighty dollars (\$4,480.00) to purchase stakes to mark the plots in Hillside Cemetery; or take any other action relating thereto.
19. To see if the Town will raise and appropriate ten thousand nine hundred fifty dollars (\$10,950.00) for repair and refurbishing of Norway Plain and Pine Ridge Cemeteries; or take any other action relating thereto.
20. To see if the Town will raise and appropriate ten thousand five hundred dollars (\$10,500.00) to purchase and install fire and

21. burglary security systems in the Town Highway garage and the Town Office Building and to connect the Fire Station and the Post Office fire alarms to the Keene Mutual Aid system; or take any other action relating thereto.
22. To see if the Town will vote to adopt an ordinance entitled "Town of Hancock Mandatory Recycling Ordinance 1989" as posted at the Town Office Building and Post Office; or take any other action relating thereto.
23. To see if the Town will vote to allow the Selectmen to enter into negotiations with any other municipality for the purpose of an RSA 53-B agreement relating to solid waste; or take any other action relating thereto.
24. To see if the Town will vote to instruct the town's representatives to the General Court to respond to our solid waste crisis by taking all necessary measures to insure that New Hampshire adopt legislation that will permit consumers to return for refund of deposit within New Hampshire all soda, beer, wine cooler and liquor containers and that all unclaimed deposit monies shall be collected by the state and no less than 80% shall be returned annually to local municipalities for the sole purpose of implementing, expanding and reimbursing community recycling projects. BY PETITION
25. To see if the Town will vote to raise and appropriate the sum of six hundred eighty eight dollars (\$688.00) to contribute to a regional household hazardous waste collection program. This request is based on a 55-cent per capita formula; or take any other action relating thereto.
26. To see if the Town will vote to raise and appropriate the sum of one thousand four hundred twenty-five dollars (\$1,425.00) to support the Mental Health Program of the Monadnock Family and Mental Health Services; or take any other action relating thereto.

29. To see if the Town will vote to authorize the selectmen to convey property acquired by the town by tax collector's deed at public auction, or advertised sealed bid, or in such other manner as determined by the selectmen as justice may require; or take any other action relating thereto.
30. To see if the Town will vote to authorize the Board of Selectmen

to apply for, receive and expend Federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-B and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; or take any other action relating thereto.

31. To see if the Town will accept gifts and legacies left in trust for the Town; or take any other action relating thereto.
32. To hear the reports of auditors and committees heretofore chosen; or take any other action relating thereto.
33. To authorize the selectmen to borrow money in anticipation of taxes; or take any other action relating thereto.
34. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this thirteenth day of February in the year of Our Lord nineteen hundred and eighty nine.

INDEPENDENT AUDITOR'S REPORT

To the Members of
the Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the general purpose financial statements of the Town of Hancock as of and for the year ended December 31, 1988, as listed in the table of contents. We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Hancock at December 31, 1988, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund and individual account group financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Hancock. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. *Governmental Reporting Entity*

The financial statements of the Town of Hancock have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to the government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

For financial reporting purposes, in conformity with the National Council on Governmental Accounting Statement Number 3, "Defining the Governmental Report Entity", the Town of Hancock includes all funds, account groups, agencies, boards, commissions and authorities that are controlled by or dependent on the Town's executive or legislative branches. Control by or dependence on the Town was determined on the basis of budget adoption, taxing authority, outstanding debt secured by revenues, or general obligations of the Town, and obligation of the town to finance any deficits that may occur, or receipt of significant subsidies from the Town.

B. *Fund Accounting*

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

regulatory provisions or administrative action. Included in this fund type are the Town Library, Conservation Commission, Tennis Courts, Town History, Steeple and Town Clock, Water Department, Highway Equipment, Police Equipment, and Recreation Funds.

Capital Projects Funds - Transactions related to resources obtained and used for the acquisition, construction, or improvement of capital facilities are accounted for in Capital Projects Funds. Such resources are derived principally from proceeds of long-term notes or bonds and from Federal and State grants.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent for others by the Town. The Nonexpendable and Expendable Trust Funds (which include Capital Reserve Funds) and Developers Performance Bond Funds are shown in this fund type.

C. *Account Groups (Fixed Assets and Long-term Liabilities)*

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-term Debt Account Group.

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

D. *Basis of Accounting*

The accounts of the General, Special Revenue, Capital Projects, Expendable Trust, and Agency Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting.

E. *Budgetary Accounting*

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. State Statutes require balanced budgets but provide for the use of beginning general fund unreserved fund balance to achieve that end. In 1988, the beginning fund balance was applied as follows:

Beginning Fund Balance -	
Reserved For Encumbrances	<u>\$20,817</u>

F. *Encumbrances*

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31, 1988 and are carried forward to supplement appropriations of the subsequent year.

The General Fund reserve for encumbrances at December 31, 1988 is detailed in Exhibit A-2 and totals \$34,545.

The Capital Projects Fund reserve for encumbrances at December 31, 1988 is detailed as follows:

<u>Library Building Construction</u>	
Incompleted Contracts	<u>\$30,877</u>

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

G. Cash and Investments

At year end, the carrying amount of the Town's deposits was \$1,194,223 and the bank balance was \$830,192. Of the bank balance, \$278,352 was covered by Federal depository insurance and \$551,840 was uninsured.

State Statutes authorize the Town to invest excess funds in the custody of the Treasurer in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this State or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

The Town is further authorized to invest Trust Funds in obligations of political subdivisions and stocks and bonds, as they are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept separate and not intermingled with Trust Funds. Capital Reserve Funds may be invested only in savings bank deposits of New Hampshire banks, or in United States or State of New Hampshire bonds or notes.

Investments in all instances are stated at cost or, in the case of donated investments, at market value at the time of bequest or receipt. Investments at year end are as follows:

	<u>Carrying Amount</u>	<u>Market Value*</u>
Common and Preferred Stock	\$119,762	\$
Corporate Obligations	<u>14,990</u>	<u> </u>
<u>Totals</u>	<u>\$134,752</u>	<u>\$ </u>

*Market Value of investments was not determined by the Town as of December 31, 1988. It is estimated that the aggregate market value of securities exceeds the carrying amount on that date.

H. Accumulated Unpaid Vacation and Sick Pay

The Town does not have a formal sick leave policy. One week of vacation is granted after a year of service and two weeks thereafter. Vacation pay accumulation does not exceed a normal year's allowance.

I. Inventories

Inventory in the General and Special Revenue Funds consists of expendable supplies held for consumption. The cost thereof has been recorded as an expenditure at the time individual inventory items were purchased.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

J. *Taxes Collected For Others*

The property taxes collected by the Town include taxes levied for the Contoocook Valley School District and Hillsborough County, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

K. *Property Taxes*

The National Council on Governmental Accounting, Interpretation 3, referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to year's end, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Hancock annually recognizes, without reserve, all taxes receivable at the end of the fiscal year. The Town feels this practice of accrual is justified, as it more appropriately matches the liability to the school district entity at December 31 with collections which are intended to finance these payments through June 30 of the following year.

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident taxes, known as overlay. All abatements and refunds are charged to this account. The amount raised in 1988 was \$18,860 and expenditures amounted to \$24,640.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two-year redemption period, the property is tax-deeded to the lien holder.

As prescribed by law, the tax collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the two-year redemption period, the property is tax-deeded to the Town.

L. *Interfund Transactions*

During the course of normal operations, the Town has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers.

M. Interfund Receivable and Payable Balances

Individual fund interfund receivable and payable balances at December 31, 1988 were as follows:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$ 778	\$4,574
Special Revenue Fund	<u>4,574</u>	<u>778</u>
Totals	<u>\$5,352</u>	<u>\$5,352</u>

N. Total Columns (Memorandum Only) on Combined Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

O. Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the government's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

NOTE 2 - CHANGES IN LONG-TERM DEBT

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

The annual requirements to amortize all debt outstanding as of December 31, 1988, including interest payments, are as follows:

Annual Requirements To Amortize Long-term Debt

Fiscal Year Ending December 31	General Obligation Debt		
	Principal	Interest	Total
1989	\$121,279	\$ 37,204	\$158,483
1990	152,555	29,310	181,865
1991	95,555	15,376	110,931
1992	46,975	10,035	57,010
1993	26,975	9,804	36,779
1994-2002	110,925	20,096	131,021
<u>Totals</u>	<u>\$554,264</u>	<u>\$121,825</u>	<u>\$676,089</u>

All debt is general obligation debt of the Town, which is backed by its full faith and credit.

Legal Debt Margin

According to State Law, Town borrowing (exclusive of Water and Sewer Bonds or Notes properly approved under the provision of the Municipal Finance Act) may not exceed one and seventy-five hundredths percent (1.75%) of the valuation of property based upon the applicable last locally assessed valuation of the municipality as last equalized by the Commissioner of Revenue Administration. At December 31, 1988, the Town of Hancock had an equalized value of \$84,099,171 and a legal debt margin of \$1,471,735.

NOTE 3 - DEFINED BENEFIT PENSION PLAN

The Town's Police Chief participates in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for this employee covered by the system for the year ended December 31, 1988 was \$32,871.

All Town full-time employees are eligible to participate in the system. Employees who retire before age 65 are entitled to a retirement benefit equal to 1/60 of the employee's average final compensation multiplied by years of service. After attainment of age 65, the payment by the retirement system is reduced to 1/66 of the average final compensation. The system also provides death and disability benefits which are established by State Statute.

The covered employee is required by State Statute to contribute 9.3% of his salary to the plan. The Town is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1985. These contributions represented 4.8% through June 30, 1988. From July 1, 1988, the Town's contribution rates were 5.53%. The contribution requirements for the year ended December 31,

TOWN OF HANCOCK

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 1988

1988 were \$4,756, which consisted of \$1,699 from the Town and \$3,057 from the employee.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1987 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$633,344,000. The system's net assets available for benefits on June 30, 1987 (valued at market) were estimated at \$792,615,988, leaving no unfunded pension benefit obligation. The percentage that the Town of Hancock has in relation to the entire plan cannot be determined.

NOTE 4 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests, in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1988 are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>

NOTE 5 - CAPITAL PROJECT FUND

Project Deficit

There is a deficit of \$5,407 in the Capital Project (Library Building) Fund at December 31, 1988. Contracts payable and encumbrances at year end will be funded by transfers from the Library Improvements Trust or by Federal grants as cash payments are made for these purposes during 1989. At December 31, 1988, trust balances available equalled \$82,202, and up to \$34,464 remained available from Federal grant authorizations detailed in Schedule I.

*INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION
SCHEDULE OF FEDERAL FINANCIAL ASSISTANCE*

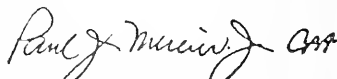

To the Members of
the Board of Selectmen
Town of Hancock
Hancock, New Hampshire

We have audited the general purpose financial statements of the Town of Hancock and the combining, individual fund and account group financial statements of the Town of Hancock as of and for the year ended December 31, 1988, and have issued our report thereon dated January 18, 1989. These financial statements are the responsibility of the Town of Hancock's management. Our responsibility was to express an opinion of these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards for financial audits contained in the *Standards for Audit of Governmental Organizations, Programs, Activities, and Functions*, issued by the U.S. General Accounting Office (1988 revision). Those standards required that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provided a reasonable basis for our opinion.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole and on the combining, individual fund, and account group financial statements. The accompanying Schedule of Federal Financial Assistance is presented for purposes of additional analysis and is not a required part of the financial statements of the Town of Hancock. The information in this schedule has been subjected to the auditing procedures applied in the audit of the general purpose, combining, individual fund, and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements of each of the respective individual funds and account groups, taken as a whole.

HARCOCK FIRE DEPARTMENT

1988 was a busy year for the Fire Department. We had a total of 108 calls

39 Rescue calls	38 Mutual Aid calls
1 Partition fire	10 Brush at Landfill
7 Chimney fires	5 Brush and Grass fires
6 Misc. calls	

We took delivery of the new 1988 four wheel drive rescue truck. It was purchased from donations at a price of just over \$23,000. When it was completed it was turned over to the town, and the old rescue truck was sold to help defray the cost of the new one.

We designed and ordered a new 2000 gallon tank truck. We expect delivery in early February 1989.

The Training Officers have been busy developing a new training schedule. Training will now be twice a month instead of once, and all members will be required to attend.

The NFPA has issued Pamphlet 1500 to all Fire Departments. The pamphlet states a list of requirements that all departments should meet for safety, training, and record keeping. We are in the process of reviewing them to see where we comply, and what areas we need to improve in. This will not only cost more money, but will take alot of time to complete.

I would like to thank the members of the Fire Department for the time they volunteer to make the department successful. As we look into the future the time required to train in fire suppression, first aid, and hazardous materials is only going to increase.

Robert W. Kierstead, Fire Chief

LIBRARY TRUSTEES REPORT

During 1988, the trustees began the final efforts to complete an addition to the Library, an undertaking which had begun more than 16 years ago with the 1973 Library Study Committee. Construction of the addition was begun in July and was in the final phases at the end of the year.

On February 12, 1988, a bid by Mary T. Graves for the Danielsen house was accepted by the selectmen and the trustees. The Danielsen property had been purchased in November 1987 by the trustees following the approval of the purchase by the Special Town Meeting. The move of the house from its site to a location on Route 123 across from the Hancock Service Station was completed in March by its new owner.

On April 18, following a request for bids and discussions with the three lowest bidders, a building agreement was signed by the trustees with Dayspring Builders, Inc. of Concord, NH.

On June 24, the Library was closed for the duration of the construction of the basic addition. During this interval until the Library was reopened, the Peterborough Library generously provided library services to Hancock residents. Shortly after June 24, furniture and equipment were moved to the old firehouse and to Gordon Laing's basement. On July 5, all books were moved and stored in the basement of the Elementary School and shortly thereafter building construction was begun.

On April 24, the trustees had filed an application for a grant of \$65,000 under Title II of the Library Services and Construction Act. The purpose of this application was to make possible an enlargement of the planned reading areas, the addition of a chairlift, a bookdrop and other facilities. On September 12, the trustees were notified that a grant of \$50,000 had been approved by the U.S. Department of Education, the Governor and Council.

Bids for the construction of this second phase of the addition were solicited and on October 27 a second building agreement was signed with Dayspring Construction. The second phase of construction was begun in December and was well on the way to completion as of yearend.

On December 1, the Library was reopened for regular operations with an increase in hours from 20 to 22 to meet the requirements of the NH State Library. New equipment arrived during the fall months. The complete furnishing of the Library will be accomplished by the middle of 1989.

At yearend, the trustees expressed their appreciation to the Library Building Committee and John Jordan, architect, whose efforts had begun in January 1986. Members of the Building Committee were Howard Mitchell, chairman, Nancy Adams, secretary, Pat Briggs, head librarian, William Corbett, treasurer, Robert Kierstead, Edmond Lapine, Richard Quinn, John Roper and Sandra Weston. An effort which had started in 1973 under the leadership of Ted Wells was nearing completion.

HANCOCK TOWN LIBRARIAN REPORT

For the staff and volunteers of the Library, 1988 was a year of challenges. During the early months the normal activities of the Library were carried out and in May construction was begun on the addition and service to patrons was continued in spite of dirt and noise. On June 23 the Library closed and the librarians packed books, furniture and supplies in preparation for the major construction. The Hancock Elementary School, Gordon Laing's basement and the old fire house served as storage facilities for all the contents of the library.

During the period from June 24 to December 1, the Peterborough Town Library generously allowed Hancock Town Library patrons to use their facilities. The month of November was spent getting shelving in place and unpacking 525 boxes of books and supplies and on December 1 the doors opened to the public.

At year end the staff and volunteers are enjoying the new facilities and anxiously awaiting the arrival of the new furnishings and the completion of the Daniels Room. There is still some unpacking to do but by Spring of 1989 the new Hancock Town Library should be finished and services completely restored.

CONSERVATION COMMISSION REPORT

Early in 1988 the Conservation Commission served as the nucleus of a local task force to accept matching funds for the preservation of 81 acres of the Valley Farm - courtesy of the Trust for DH lands. For this successful project, former chairman Bruce Hedin made several detailed maps, also suitable for future use.

Charles Merrill kindly gave the Town a large conservation easement, on which the Commission will enforce the deed restrictions. Members did trail work at the Walcott property, and conducted a public birdwalk at Elmwood. As usual, roadside cleanup day was a real pickup.

In March and again in October, members formed and attended regional conservation commission meetings, where Peterborough, Dublin, Antrim, Hillsboro, Henniker and Harrisville representatives got together and discussed past and future environmental projects. One of Hancock's major plans for 1989 is to institute a wetlands ordinance - long overdue.

PLANNING BOARD

In 1988 the Planning Board held regular meetings twice monthly. The Board processed and approved one major subdivision application, seven minor subdivision applications and two boundary line adjustments. Thanks to the work of Town committees, commissions, departments, Planning Board members and Jack Epper, the Board has provided Southwest Regional Planning Commission with the data and information necessary for the drafting of our Capital Improvement Program. The Board plans to have the completed CIP in place this spring, 1989. The Planning Board adopted changes to the Land Subdivision Control Regulations regarding temporary and permanent cul-de-sac streets, updated requirements for road and street construction, subdivider requirements, and clarified road specifications. Virginia Merriem completed a much needed Table of Contents for the Subdivision Regulation. Time was also devoted to updating and improving our application procedures and forms for subdivision, boundary line adjustment and excavation.

The 1988 warrant introduces proposed changes to the Zoning Ordinance regarding home occupations and kennels. We also introduce proposed changes to the Building Code regarding driveway aprons and driveway construction permits.

Our membership in the Southwest Regional Planning Commission continues to be valuable to us.
